"I ABSOLUTELY love the curved thinners (Dirty Dog XC-66) - they fit her dome perfectly and make quick work of top knots. They are also fantastic at finishing the bevels on her as well after I get a gorgeous sharp edge on my bevel from the Dirty Dog XC 8's. Both glide thru the hair like butter and the thumb/finger grips fit perfectly . . . They are my go to shears/thinners and they have made my grooming much easier, faster, and I wouldn't groom without them!!!"
